CATO TRAINING CONFERENCE

Enhance your training by participating in the California Association of Tactical Officers' (CATO) annual conference in San Diego! This year's conference includes debriefs, practical application tracts, presentations on topical issues, and certification courses.

CATO's annual conference has been completely overhauled, starting with a brand new location at the Sheraton San Diego Hotel & Marina, located right on the waterfront. We've also changed the format and flow, focusing on smaller, more intimate groups, facilitating better interactions between presenters and students. Along with smaller class sizes, there will be 2 and 4-hour classroom presentations set up for maximum benefit and a shoot house for prac app tracts. Presentations will be conducted multiple times throughout the conference, reducing scheduling conflicts and giving attendees the opportunity to select presentations they wish to attend and coordinate with their respective teammates.

SAN DIEGO, CA | DECEMBER 2-5, 2019
