

AMALGAM SEPARATOR INSPECTION LOG Calendar Year _____

Inspect Amalgam separators weekly for drips or leaks. Note any maintenance needed or performed. If the separator sludge collector or cartridge is made of clear plastic, note the level of sludge accumulation. Note the date you replace the collector box or cartridge and follow manufacturer instructions for recycling and obtaining a replacement collector box or cartridge. If you have any questions, you can contact the Dept. of Environmental Conservation at 800-974-9559.

You must keep all records of inspections, repairs, and disposal for 3 years.
