

STREET SWEEPING WEEK

- RECYCLING
- GREENWASTE
- PARCELS
- CITY LIMITS

All residential streets are swept every two weeks. Your street will always be swept the same day of the week, and will either be swept the same week that your recycling (blue) toter is collected or the same week that your greenwaste (green) toter is collected. Use the map to determine which day of the week your street is swept, and whether your street is swept during recycling week or greenwaste week. If you have questions, please call the Solid Waste Division at 209-456-8440.
