Chapter 17.40.040(D)-Development Standards for Storage Containers

This section describes standards for temporary and permanent storage containers. These containers require the issuance of a Temporary or Permanent Storage Container Permit from the Community Development Director. The following general rules/ standards apply to storage containers:

- Storage containers may not occupy any required landscaping, open space, parking spaces, loading/unloading areas, circulation aisle/lane, fire access lane, public utility easement or public right-of-way, including streets and sidewalks and parkstrips or impact access to the site or an adjacent site or otherwise create a nuisance or interfere with the peaceful use of neighboring properties
- No storage container may be placed on the public right-of-way at any time unless the required encroachment permit has been previously obtained and a copy of the permit attached to the unit. Any such container found on the public right-of-way without having the required encroachment permit may be subject to immediate removal at the owner's expense
- All storage containers shall be operated in a safe manner, and be structurally sound, stable and in good repair. The container shall not contain any holes, peeling paint, rust, damage or structural modifications.
- Containers must remain in compliance with all conditions of approval at all times.
