

MANTECA POLICE DEPARTMENT

In California, the regulations regarding concealed weapons are strict and require adherence to specific guidelines. Here's a checklist for obtaining a concealed carry permit (CCW) with the Manteca Police Department.

1. Eligibility Requirements:

- Must be at least 21 years old.
- Must be a U.S. citizen or permanent legal resident.
- Must reside within Manteca city limits.

2. Firearm Safety Certificate (FSC):

- Obtain a valid FSC issued by the California Department of Justice.

3. Firearm Training (Initial/Renewal):

- Complete a firearms training course from a certified instructor (16-hour course). It is recommended that this should be obtained after CCW is approved.
- The course must include instruction on firearm safety and the law.

4. Application Process:

- Obtain and complete a CCW application form. This can be obtained from Manteca PD, or from the Department of Justice website found here: [BOF 4012 - Standard Initial and Renewal Application for License to Carry a Weapon Capable of Being Concealed](#)
- Provide proof of residency within Manteca city limits.

5. Documentation:

- Provide identification (e.g., driver's license).
- Provide proof of U.S. citizenship or legal residency status.

6. Background Check:

- Undergo a thorough background investigation.
- This includes criminal history and mental health background checks.

7. Interview:

- The service division commander will schedule an interview with the issuing authority.

8. Fees:

- Pay applicable fees.

9. Issuance:

- If approved, receive your CCW permit.
- The permit will specify the types of firearms you are authorized to carry and any additional conditions.

10. Renewal:

- Renew your CCW permit as required by law (usually every 2 years).
- Complete any additional training or documentation required for renewal.

Note, this list is subject to change. Should you have additional questions, contact our Records Department.
