

Proclamation

National Health Center Awareness Week

August 6 – 12, 2023

Whereas, Community Health Centers have been providing high-quality, affordable, comprehensive primary and preventive health care for over 50 years, impacting America's health care system positively; and

Whereas, Community Health Centers serve as the health care home for over 30 million Americans in over 14,000 communities, making them the country's largest primary care network; and

Whereas, Community Health Centers are critical elements of the health system, serving rural, suburban, frontier, and urban populations, and often providing the only accessible and dependable source of primary care in their communities ; and

Whereas, National Health Center Week offers the opportunity to celebrate Golden Valley Health Centers at any of their 45 locations, their dedicated staff, board members, patients and all those responsible for their continued success and growth since the first Golden Valley Health Centers opened their doors more than 50 years ago; and

Now, Therefore, I, Gary Singh, Mayor of the City of Manteca, on behalf of City Council, do recognize August 6-12, 2023, as National Health Center Week. I encourage all Americans to take part in this week by visiting their local health center and celebrating the important partnership between America's Community Health Centers and the communities they serve.
