

STREET NAME CHANGE APPLICATION & OWNER APPROVAL PETITIONS

To: City of Manteca
Development Services Department
 Street Renaming
 1215 W. Center St., Suite 201
 Manteca, CA 95337
Attn: Development Services Director

Changing a street name isn't as simple as posting a new sign. Close coordination between the City, the post office, utility providers, and emergency services is necessary to ensure services are not disrupted or delayed. Name change requestor(s) will need to submit this application requesting the street name change or honorary street name change. Requestors should review Municipal Code Chapter **16.24 STREET NAME CHANGES** in order to determine if a signed petition is required for their proposed name change request. Use Appendix "A" or "B" accordingly.

If required, applicants are responsible for acquiring contact information and contacting Property Owners to acquire their petition signatures. San Joaquin County provides property owner information upon request at the following link: https://www.sjgov.org/departments/assr/general_assessment.
