Purpose

The primary purpose of the Community Ambassadors for Manteca Parks and Recreation Services (CAMPERS) is to be community ambassadors on behalf of Manteca Parks and Recreation, representing and assisting the department in support of its mission and vision.

CAMPERS will augment and enhance community engagement and the delivery of Parks and Recreation Services in Manteca, promoting participation and volunteer opportunities for individuals, youths, families and groups. They will provide a community branch of service delivery that will work with Parks and Recreation staff, ensuring the most efficient and effective use of community resources.

Benefits to The City and to the Parks and Recreation Department:

- Extends the Department's ability to provide services effectively and efficiently and to conserve resources
- Builds understanding and community support for Department operations and services
- Strengthens community relationships through collaboration, partnerships and community ownership

Benefits to CAMPERS volunteers:

- Provides direct opportunities to positively enhance and enrich Manteca's quality of life
- Provides opportunities to develop skills, gain experience, and build community relationships
- Provides a personal satisfaction in helping the community thrive

CAMPERS

Tasks

CAMPERS' tasks are to support, actively promote, and assist the Manteca Parks and Recreation Department in the following ways:

- Organize and manage volunteer programs in an effective and efficient manner that will be responsive to both department staff and community needs.
- Promote family volunteer opportunities, consistent with Manteca's reputation as the "Family City," to encourage families and neighbors to come out in support of positive activities in their neighborhood and community parks.
- Provide a grassroots, organized citizen group that will advocate on behalf of the Parks and Recreation services.
- Encourage active community engagement in Parks and Recreation Services.
